

Your Casting Academy's Safety Measures

YCA'S SAFETY MEASURES INCLUDE BUT ARE NOT LIMITED TO:

- Screening all staff and students before entering the premises.
- YCA will use additional screening tools & forms from The Canadian Centre for Occupational Health & Safety.
- Strict cleaning and disinfecting protocols that will be monitored daily and performed on every opening, closing, and every 2 to 3 hours.
- "Preventing the spread" signage will be posted and visible in our hallways, entrances, etc. (i.e. "wash your hands" reminders.).
- Hand Sanitizer posts will be accessible at entrances and in all classrooms.
- Staff & Students will be made aware of YCA's sanitary policies. (i.e. There will be no food/beverages permitted in the classroom. Personal water bottles left behind will be thrown away).
- Use floor markings, signage, and other visual cues to assist with physical distancing measures.
- Students may be asked to arrive at designated times before class start times.
- Teach students about physical distancing and avoiding unnecessary touching.
- Allow administrative staff to work from home whenever possible.
